Make this your next home!

This beautiful home was built in 1984 and boasts over 1,344 square feet luxury. The floor to ceiling windows in the main living area provide majestic views of the mountains while the vaulted ceilings and plantation style shutters throughout add elegance and charm. The perfectly designed kitchen with lots of light and tons of cupboards and counter space features a spacious breakfast bar where you can enjoy your morning coffee or a casual meal. All of the appliances are included.

The master suite has enormous closets, a large private bath with a garden tub, stall shower, corner vanity and plenty of natural light.

The spacious formal dining room features a built-in china hutch, enough room for 8 or more guests and a stunning view through the living room windows.

FREE HOME WARRANTY INCLUDED

Priced to sell!

The guest bath offers a double step-in shower and can be accessed from both the guest bedroom and the oversized laundry room which features a desk and built-in storage cabinets.
