

Beautiful 4 Bedroom Floor Plan

Like New! This wonderful home features 4 spacious bedrooms, plus a large family room with fireplace and 2 full baths. This top of the line Skyline offers gracious living inside and out. The award winning floor plan features a kitchen with granite counters and all the appliances are included as well. Outside is a private patio, landscaped yard with auto sprinklers, 15 fruit trees and pond with waterfall. The perfect place to relax and entertain!

The living room with soaring ceilings adds charm and elegance and the family room is spacious and inviting. The formal dining area is adjacent to the kitchen. The master suite includes a private luxury bath and walk-in closet. All bedrooms are large and well planned. This beauty offers designer colors and newer carpet and tile throughout. All mini-blinds will remain.
