

Beautiful 3 Bedroom Floor Plan

This wonderful home on a corner lot offers spacious bedrooms and 2 full baths. Built by Silvercrest, it features about 1,440 square feet of gracious living. The award winning floor plan offers a beautiful circular style kitchen with all the appliances included. The converted den has a sliding glass door accessing the front porch and looks out over a beautiful million dollar view of the canyon!

The spacious living room with soaring ceilings and plenty of natural light is perfect for relaxing or entertaining. The master suite includes a private luxury bath and ample closet space. All window coverings throughout the home are included as well. The carport is large and there's additional parking on driveway in front of the home.
