

# Great 3 Bedroom Floor plan!

Located just steps from the clubhouse where you can enjoy swimming, an indoor spa, shuffleboard, billiards, crafts and more! This charmer overlooks the beautiful park like setting and is very close to ample guest parking.

The dining room offers a big built-in hutch for extra storage and a place to showcase your treasured items. The formal living room is spacious and features custom window coverings that match the dining room.

The galley style kitchen has tons of storage including a big pantry. All the appliances are included with the home. The big front porch and private patio is great for relaxing with a good book.....With 3 big bedrooms and 2 baths, this home has plenty of space for a room mate or caregiver.
