

## *Beauty and style throughout...*

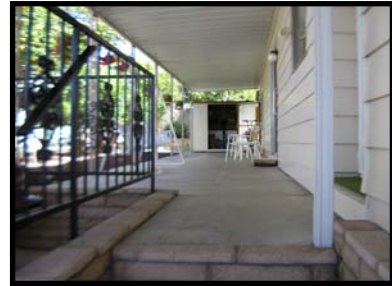

This top of the line home features 1,440 square feet of beautiful living space and offers two large bedrooms, two baths, large living room, formal dining area and even a den. The open and spacious floor plan with vaulted ceilings greets your guests with warmth and elegance.

The large covered patio overlooks beautiful fruit trees and provides the perfect place to relax with your morning coffee or enjoy an afternoon breeze.

The well designed kitchen is a cooks dream with a walk-in pantry, breakfast bar for a casual meal and tons of storage and counter space. All the appliances stay with the home too!

Ser # 082013/4

The den is directly off the kitchen area and provides a less formal space for entertaining. Both bedrooms are large with plenty of closet space. The master suite has an attached luxury bath with a stall shower, separate bath tub, double sink vanity and ample storage. The laundry area has additional storage and comes equipped with a Washer & Dryer.
